

4th May 2021

Dear Customer,

Please note that due to high input costs, strong demand and limited availability we are increasing sections prices by a further £40/t with immediate effect. This latest increase is in addition to our recent price announcements of 6th January and 10th March.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Eshelby', with a large, stylized flourish at the end.

Roy Eshelby
